Customer Reviews

Interesting lessons for children and adults. Two or three stories were repeated but within the 300 is nothing. Interesantes enseñanzas, para niños y adultos. Dos o tres historias estaban repetidas pero dentro de las 300 no es nada.

Son sumamente cortas y las enseñanzas aplicables en todo tiempo. Los animales filosofando sobre sus errores en sus momentos de agonía a lograr más de una sonrisa macabra.

Recomendado también para iniciar en la lectura a niños y jóvenes: en pocos minutos pueden leer unas cuantas fábulas.

The item is just the badly auto-translated text from the out of copyright English text of 'Aesop Fables', no index or illustrations whatsoever. Compare the grammar and use of language of the sample with eBooks from actual Spanish editions of this classic book. Don't bother with it, it's best to

spend a little more for an actually edited Spanish edition of the book, the English edition is of course free.

These are part of our world heritage. You can find wisdom phrases and stories to share as a lecturer, as parent or as a friend. They are simple short lines but what you get in knowledge once you analyze is as huge as an encyclopedia. I grew up reading these stories at initial education and even high school, this book is fantastic because it gathers them together.

very good definitely a must buy, and that's enough to say, that's it, just buy it now, bye bye :)

Students have loved reading the Aesop's fables on the kindle. They like that they are short and that they also see the lesson taught by the story.

Las Fábulas de Esopo vivirán por siempre. La colección ha sido bien editada y se puede leer con comodidad. Son un requisito de cultura literaria.

Great reading for children. Useful to check him for comprehension. I make a talk with my grandson after every reading. We both learn a lot.
