A Serpent's Bond (Myth Kissed Book 1)

Synopsis

A former foster kid, Hudson always had a simple dream for a perfect life. A husband to love and a family he could come home to every night. It wasn't a fancy wish, but it might as well have been. Approaching forty, he's still single and fighting the battle of the bulge so his dream probably wasn't going to happen. Not in this lifetime. Especially not with Drake in Nacash, the drop dead gorgeous man who's the subject of his nightly fantasies and barely even knows he exists. In one day, his life is turned upside down and he's introduced to a myth turned real. What if he could have everything he ever dreamed of?
