Father Mine: Zsadist And Bella's Story: A Black Dagger Brotherhood Novella

Synopsis

Ever since the birth of his daughter, Nalla, Zsadist has been regressing further and further into the life he led before he met Bella, his beautiful shellan. He has been waking up in cold sweats due to nightmares from his past, hasn't made love to his wife, and won't hold his baby girl, for fear that he might hurt her. While Nalla's presence had consisted of only joy and excitement in first couple months of her life, now it seems to be driving the couple apart. Bella is afraid that she and Nalla just may need to leave her hellren. But then Zsadist gets injured on a mission to fight the lessers and because he hasn't been feeding from Bella, almost loses his life. Could this near-death experience create the motivation to pull this couple back together? Or has the gap between them spanned too far for redemption?

Customer Reviews

This was a great teaser. Zsadist has always been my favorite from the brothers. Z has been to hell and back. He faced his demons and was rewarded with Bella and Nalla waiting for him on the other side. He is so courageous and strong but at the same time can be tender and vulnerable. This

novella delves into Nalla's birth, Bella's kidnapping, Z's past existence as a sex-slave and also Z, Bella and Nalla's life as a family. If you are a Z and Bella fan or a BDB fan this short story should not be missed! If this is your first exposure to the Black Dagger Brotherhood series I strongly suggest you read the series in order Dark Lover, Lover Eternal, Lover Awakened, Lover Revealed, Lover Unbound, Lover Enshrined, Lover Avenged and due out 4/2010 Lover Mine. I highly recommend the entire series to dark urban fantasy readers. IMO, the first three books in the series classify or closely classify as hybrids between dark paranormal romance and dark urban fantasy and the rest are dark urban fantasy peppered with a bit of romance. But whatever the classification, the series is phenomenal!! I also recommend: Dark Lover (Black Dagger Brotherhood, Book 1) Angels' Pawn: A Companion Novella to Angels- Blood

If you are a fan of the Black Dagger Brotherhood and have not yet read this story, it is an absolute Must Read. The story was previously published in The Black Dagger Brotherhood: An Insider's Guide, so if you don't do e-readers it's still available to be read. Or, if you do have the Insider's Guide you already have this story and don't need to repurchase. As can be told by the product description it gives more detail about Zsadist and Bella--the main characters from the third novel Lover Awakened (Black Dagger Brotherhood, Book 3) If you have not yet read any of the BDB series, this is NOT the place to start, you should really start with Dark Lover (Black Dagger Brotherhood, Book 1). Following the way many paranormal romance series are published, each title in the series features a main character who happens to find his/her fated love. With a lot of angst and hot/detailed nookie involved to make it interesting. That said, this series is fabulous in that aspect--JR Ward does a great job with her world building and each story continues an overall plot arc. Each tale is also good at keeping tabs on favorites from other books. Because there is a lot of story arc going on it is pretty important to keep going in order.
