The Boy Next Door: A Standalone Small Town Romance (Soulmates Series Book 3)

Synopsis

He was the one that got away, and I knew it before I ever broke things off with him. I didn't want to end it, but at the time I believed it was the right thing to do | Because of who he was, who he wanted to become, and because of where I came from. I loved him more than I loved anything, but I thought he could do better. Even then I knew I'd never be able to replicate the happiness I found with him. I tried, of course, but based on my experience, I've come to believe there really is one right person for everyone. And not only did I let my soulmate get away, I pushed him as far as he would go. As a result, I was convinced I deserved every second of loneliness the universe handed me. After all, I'd shunned the greatest gift it could offer anyone: True Love. But luckily for me, it turns out the universe is just as stubborn as I am. **Author's note: This is a full-length, standalone romance novel with no cliffhanger and no cheating. It is intended for a mature audience.

Customer Reviews

When Laney comes face to face with Connor, her first love who she'd walked away from years earlier she knows for sure she made the biggest mistake of her life. Has he forgiven her, does she even deserve it? The Boy Next Door is the third standalone book in Hazel Kelly's Soul Mates Series

and it was brilliant, witty, warm, wonderful, well written, sexy, it's everything and more that I've come to expect from Hazel. Connor was a hot, handsome, gorgeous guy and Laney was a beautiful damaged soul, they were such great characters. The story line was excellent and I'd highly recommend it, you won't be disappointed!! received this ARC free from the author for an honest review.

This book was nothing but bittersweet!!! :) can't go wrong with a second chance romance. Laney and Conner were high school sweethearts who were each others first and only true love. Laney has a dark past with nothing but self hate for what she had to endure and the only person she could be herself and open up to was Conner who befriended her when she just moved to live with her grandma. Conner grew up with amazing loving and supportive parents and who was also the boy next door. Just before graduation Conner wanted forever with Laney but she had other plans since she thought she was holding Conner back and decided to push him away and that's when they went their separate ways. Years later Laney is again running away but ends up back in her hometown and reconnect with Conner and she thought he was handsome when they were younger but he grew up to be even more gorgeous and very successful. Talk about HOT reconnection!!!! Lol it'll have you blushing. You will fall in love with these beautiful characters I did. You will enjoy this book it was funny, sexy, and definitely HOT. I can't wait to see what Hazel has next can't get enough!!!!

Hazel always knows how to tug my heartstrings! The world she creates always suck me in from the first chapter and the men she writes make me swoon. We meet Laney in a "down and out" time in her life, and follow her journey to self love, and rekindled first loves! Great continuation of the soul mates series. I love how each of these books are different stories with a similar theme: love conquers all.

Laney has a lot of trust issues that make not able to decide what she wants out life. Conner on the hand know what he wants out of life all he will have do is make a scared and confused laney see what is right in front of her soul mate that would go through ice and fire just to make her see what she has right in front of her. This is a great read if you love romance story's .

The banter between all of the characters totally makes this book. This is a second chance romance. High school sweethearts are once again next door neighbors. Laney turned down Connor's marriage proposal before college because she didn't think she was worthy of him. She's made a lot

of bad decisions, but goes home to her grandmother to figure herself out. This was an awesome book.

I received this book as an arc for an honest review. Just as I had expected it to be, this was yet another amazing read. I loved everything about this book from the characters to the entire storyline. With every book that Hazel Kelly writes, I have another added to my list of favorites. This was an adorable story about first love and second chances. Is everyone deserving of them?

I loved this book! I love this Author! Laney & Connor's story is so sweet. You can actually become absorbed in their hurt, love, and healing while reading this book. That is the true sign of a gifted writer. Hazel Kelly really has a fantastic imagination and comes up with the hottest, sexiest, and sweetest guys - all rolled up in one! I wish I had a Boy Next Door like that one growing up!!

Five star read! I'm a fan of Hazel Kelly's writing. I'm also fan of friends to lovers and second chance books. The last two books of Ms. Kelly's have hit both my genres. The characters in this book were so well developed. Conner, veterinarian, great book boyfriend, his heart broken by Laney years ago. Laney, waitress, artist, dating a fellow new Yorker. Planet finds an engagement ring but, knows immediately she can't say yes and flees to her hometown to her grandmother to have some space and sort things out. She is shocked when Conner has bought his parents house and living next door. She left him years ago cause she felt she would hold him back and she wasn't good enough for him. And here is where the story kept me up past 2am. Will Conner forgive laney for breaking his heart? Can Laney feel good enough about herself to not run away from love? Check this book out, you'll love it. A lot of humor and a lot of love.
