Azulejo Anthology & Guide To The AP Spanish Literature Course, 2nd Edition (Softcover) (Spanish Edition)

Synopsis

Using every text from the revised AP[®] Spanish Literature and Culture curriculum required reading list, Azulejo prepares Advanced-Low to Advanced-Mid level students for success in the Spanish AP[®] Literature and Culture Course by simultaneously emphasizing literary and historical context and the College Board's themes. Azulejo can provide advanced level Spanish students: A Balanced Approach The Azulejo anthology stresses historical and cultural context of each literary movement, author, and work. The units progress chronologically but are organized along a common thread (e.g., a genre). Each unit opens with the study of relevant literary-historical information, introduces authors and literature, and closes with comparative questions. AP[®] Texts and Themes Azulejo contains every text from the AP[®] Spanish Literature and Culture required reading list and incorporates every integrating theme and organizing concept of the new AP[®] curriculum, emphasizing the Five Cs (Communication, Communities, Cultures, Comparisons, and Connections) and adding a sixth: Creativity. A Creative, Multifaceted Perspective Azulejo encourages students to first examine each text within its own historical and cultural context, setting aside personal, cultural values of their time to hear the author's voice inside the text. The book then challenges students with creative activities and authentic media exercises to cultivate interdisciplinary cultural comparisons. Learning Site Access Every new copy of Azulejo includes a 1-year subscription to the online Azulejo Learning Site providing students with authentic, external resources with images, text, audios, and videos, a full-length sample AP[®] exam, and discussion forums for each unit. **Purchasing a new copy of this title grants complimentary access to online resources and activities for one year. Used copies may not include access.**

I currentky took AP Spanish Literature and Culture this 2013-14 school year and I got a 5 on the AP exam that I took in May. Although I was hesitant to buy this book because of the cost, at first, I soon realized that the prize is all it's worth! It is so helpful and with the help of my amazing teacher and this book, the AP exam was more than doable.

Great book for AP Spanish Literature and Language. One of my students loved my copy so much that I purchased one for her personal use. The only thing I do not like is the definitions in English. Everything, IMHO, should be in Spanish at this level.

I love this book. It has too much drama though. It's cool. I like the plays. People die. People cheat on each other. They have kids and live a happily ever after

This text has so many errors I don't even know where to start. From a major error in Don Quixote that caused confusion with my students and me, to an incorrect listing of a character's name in Burlador de Sevilla that is at odds with every other copy I've ever seen of the work, to printing errors where we compare the books of my students and, even when they have the same EDITION, the print is different (numbering of lines, words that are just plain missing)...I inherited this text with the job, but I will be changing as soon as I have the chance. Totally unprofessional and unacceptable.
