Gone Too Deep (Search And Rescue)

Synopsis

George is a mystery. Tall. Dark. Intense. He's at home in the wild, and she'll need him by her side if she wants to survive. George Holloway has spent his life alone, exploring the treacherous beauty of the Colorado Rockies. He's the best survival expert Search & Rescue has, which makes him the obvious choice to lead Ellie Price through deadly terrain to find her missing father. There's just one problem—Ellie's everything George isn't. She's a city girl, charming, gregarious, delicate, small. And when she looks up at him with those big, dark eyes, he swears he would tear the world apart to keep her safe. Ellie's determined to find her father no matter the cost. But as she and her gorgeous mountain of a guide fight their way through an unforgiving wilderness, they find themselves in the crosshairs of a dangerous man in search of revenge. And they are now his prey... In the remote Rocky Mountains, lives depend on the Search & Rescue brotherhood. But in a place this far off the map, trust is hard to come by and secrets can be murder... *Search & Rescue: On His Watch* (novella) *Hold Your Breath* (book 1) *Fan the Flames* (book 2) *Gone Too Deep* (book 3) *In Safe Hands* (book 4) **What People Are Saying:** "Sexy and suspenseful, I couldn't turn the pages fast enough."—Julie Ann Walker, *New York Times* and *USA Today* Bestselling Author for *Hold Your Breath* "Chills and thrills and a sexy slow-burning romance from a terrific new voice."—D.D. Ayres, author of the *K-9 Rescue Series* for *Hold Your Breath*

Customer Reviews

Ellie Price is determined to reach her father at the remote cabin she is certain he is hiding out at.

But Ellie has no survival skills, and her lifetime of city living has left her unprepared for the wilds of Colorado. George Holloway is her only hope of finding her father's hideaway. He grew up in these mountains and is the best on the Search and Rescue team. His tendency to avoid social settings, conversation, or interaction with his team means no one really knows much about him, other than he is the best at what he does. I really liked these two characters. While I had a hard time getting a good feel for George early on, especially with his lack of verbal inputs, as he warmed up to Ellie and became comfortable enough around her to open up, his story explained his reluctance to add to conversation. Ellie's enthusiasm and determination made up for George's silences and her ability to chip past his armor was fun to watch. Most of the book is in Ellie's point of view, with a smattering of scenes from a few other characters. The few scenes from George's perspective really helped endear him to me. While there were times Ellie was naive about winter hiking in Colorado, and about how serious the cold can be, her focus on her father kept me from feeling like she was over her head. She listened to instructions (or inferred them from gestures) and did her best at all times. There is a lot going on in this book. Nature is a huge obstacle for much of the plot, to the point that I almost forgot there was a murder in the wind and more going on than Ellie and George hiking in the mountains. I enjoyed the suspense, from the immediate conflicts as well as the series conflict.
