Jaylin: A Naughty Aftermath (The Naughty Series Book 8)

Synopsis

Naughty is what Naughty always does, and Jaylin Jerome Rogers never disappoints. The aftermath to The Naughty Series picks up nearly three years later, where the tables have clearly turned. For the first time ever, Nokea has found true love with another man, while Jaylin remains on the outside, wondering how it has come to this. He could never imagine Nokea falling out of love with him, but Dr. Travis L. Cooper has it all from A to Z. He's perfectly fine with Nokea and Jaylin being just friends, but getting too comfortable may become a setback or a setup for major things to come. Everyone struggles to stay in their own lane, even Scorpio who finally prepares herself to walk down the aisle. But before that happens, all she desires is one final night, just one, with the man who continues to hold a grip on her heart. Every woman knows that one night with Jaylin can be a game changer, and as Scorpio predicts, their heated sex session concludes with a bang. The only person ready to aim and shoot, however, is Scorpio's man, Mario, whose loyal family has ties to the Mafia. Betrayal isn't something he's comfortable with, and with a billionaire status, Mario is forced to keep his eyes on the money and his woman. Scorpio is way in over her head, and unfortunately, so is Nokea who gets blindsided by a twist that no one sees coming.
