The Battle Of Lillie Mae: A Comedic Coming Of Age Solo Play

Synopsis

In this comedic solo play, a young woman grapples with coming of age in the Reagan years while coming to terms with a family legacy of divorce and mental illness. Guided through the trials and tribulations of everyday life by her 'fairy great grandmother' the heroine ultimately finds a quirky, and kooky, kind of self-acceptance. Funny, fresh, and original, this solo play is chock full of great monologue material for women in their teens, 20s and 30s.
