## Customer Reviews

Ever so often you come across a author that have u up all night not wanting to sleep because there book is so good! Ne Ne Capri is that author for me I was up all night because I couldn't put this damn book down! The realness in the characters is why I'm so drawn to this series there was never a bored or dull part to this book every scene was action pack and jaw dropping! I'm happy to see my man KAYSON show up and show out! The boss is back baby and his queen KoKo is still a bad bitch! Can't wait for part 4 because there has to be a part 4 lol #Trappin

Straight Fiyyyaa from beginning to end...Boss Lady did her thing in this book she really tried to tie up all the loose ends she could from the first book but there are still some secrets that are left to come out.She has been blessed with a great gift,that pen of hers writes nothing but Fiyyyaaaaa.My girl KoKo showed why she is a Boss and Queen of her castle...We got more of KoKos golden eggs of knowledge for the ladies and relationship advice for when times get hard...lol I love Kayson and Koko but there was a bit of a power struggle,however the best thing about KoKo and Kayson is that

they respect each others gangsta. KoKo is a Boss and Kayson knows it but at the same time she submits to her husband when the time comes..They had alot of mistrust with his returning but they keep that between them and worked it out, yet proving that loyalty is everything..KoKo and Kayson have unconditional love and their own code that they go by, this is what makes their relationship stronger than Teflon..I'm on pins and needs waiting for book 4..Who will rise from the dead next? Whats happens to bring them out of retirement? Woot Woot Cant wait!!!!!!!!!!!!!!

This book was the shit. I loved every minute of it I would have never guessed kayson father was so evil. Theirs all a lot of grimy people In this book and kayson mother was a bitch and koko mother omg!!! I can't wait for part part four.

Wow...Where do I start...This was an very anticipated book for me. It was not disappointing....But I must tell you, I am truly GRIEF STRICKEN....Nene brought all the same flavor once again with straight in your face dialogue and non stop twists and turns between the characters as well as jaw dropping Drama from the past.I am still Shaking my head at some of the dialogue that comes out of Koko and Night. Night truly shined as a DARK KNIGHT in this book. I was so amazed at how he and Baseem were down for Koko no matter what. She had a ROD for life....I am trying my best not to give too much information, so I will end it with...GO GET IT and buckle down for a fast pace read...Can't wait for PT4

Great, Fabulous, Off the Hook can't even describe how great this series of books is. One book is no better than the other. You never know what is going to happen next. NeNe Capri owes me nothing at all with The Pussy Trap series! Highly recommended that you get #Trapped!

This book had me on the edge on m seat koko was something else I was mad as hell at boa though kason still that nicca him and koko ain't taking no shit... Nene Capri did her thaaaaaaannnnnnnnng with this one she never disappoints she always come harder. Can't wait for pussy trap 4

-Omg I love the book.I wasn't expecting all that I read.I was so glad that all things got answered in this book.Glad that Kayson wasn't mad at Koko about killing his mother.Cant believe they got pregnant again and that Night and Bas has ones on the way too.Enjoyed the book so much and can't wait for there to be a Pussy Trap 4

This book was the bomb. I loved it and I need more! Koko don't play about hers. It's her way or the high way for real. This is filled with surprise after surprise. The sex scene again were off the hook. Kay is the true boss and everybody needs to learn that or die trying cause he's comin out on top. Can't wait until the next.
