Bound And Spanked By My Hot Bosses: A Group BDSM Erotica Story

Synopsis

"I'll accept the punishment, but I do not apologize." Look, if you were constantly bored at work and had four outrageously handsome bosses, you might start fantasizing about them too. And if you had submissive, kinky desires like me, you might imagine them giving you a proper spanking. You might wonder what it would be like to have the group tie you up and use you to their hearts' content. Could you resist the temptation? I couldn't. But when they discovered I was writing down my illicit fantasies during business hours, they had to punish me. I didn't argue. I deserved to be flogged and humiliated. It's not my fault they thought the best way to discipline me was to make all my naughty dreams come true. But could I handle all four alpha males until they were fully satisfied? For an erotic story this blisteringly hot, I should start from the beginning...
