Customer Reviews

This book just snatched all my edges!!! There was so many twists and turns. One minute I was angry, then sad, then ready to fight. I can't wait for book two

This book was a great read. Zaria was such a naive little girl, she fell for someone who clearly wanted to keep their so called relationship a secret. There were so many red flags, but hey she was young and still had a lot of learning and growing up to do. Poor Ardeal she had so many demons that

she was battling. But this book was a great read and a definite page turner. Loved it

If you like twist and turns then this is a book you should read. I was able to connect with the characters, whether it was a love or hate kind of connection. I will forever never be a fan of cliffhangers but the book it was worth the pain of not knowing what's going to happen next!

This is was a very very GOOD book! Lord knows I laughed at the end. What a great book to read! Please let me know when Part 2 comes out. I was a little confused at the beginning but I finally got it together and put the puzzle pieces together.

Nothing really stands out about the book for me, but the last page and the "reveal". I would like to know the outcome. So, I am hoping the second installment reaches the potential that book 1 failed to reach. It should not go beyond a second book, unless there is a complete overhaul to the presentation of the story and characters.

See this is why i don't like to read books until the whole series is released. Now I'm going to be sitting around wondering what happened next. I'll be waiting on this and She used to be the Sweetest Girl!!!! AAAAAAAAAAAHHHHHHHHHHHH!!!!!! The agony!!!! Come on Linette hurry up!!!!

I really hope it's a part 2 to this book..once I started reading this book I couldn't seem to put it down.I hope Artrel gets herself TOGETHER..And I pray that ain't no HIV IN Z `s PREGNANT Life.GREAT READ AND I WILL CONTINUE TO TELL MY READERS

Zaria, Kylie and all of the characters were great. The story my it relatable in some way or another. Hopefully there's going too be a part 2.
