## Synopsis

The 'Sexy Six-Pack' is back! The men of Trident Security are ex- Navy SEALs, hardened warriors with hearts of gold. Angelina 'Angie' Beckett has been waiting a long time for Mister Right. Unfortunately, all her boyfriends have turned out to be Mr. Wrong. None of them have been able to hold her interest for long and give her what she craves in a relationship. That is, until she meets her new neighbor's boss. Ian Sawyer stopped believing in 'soul-mates' after his fiancée walked out the door ten years ago without a backwards glance. Now, he needs for a woman to spell out exactly what she wants from him. When he starts to fall for the woman he's protecting, he can't help but wonder when she'll realize that love is not enough for a lifetime of happiness. When trouble knocks on Angie's front door, she puts her life in Ian's hands. His security team is determined to keep her alive at all costs, but will someone die in her place? And when the smoke clears, will Angie walk out of Ian's life forever? Warning - 18+ Contains elements of BDSM, hot sex and even hotter Doms!

## Customer Reviews

Once again we find ourselves involved in the world of Trident Security and one of their latest cases that leads to suspense and several twists along with some hot and steamy sex scenes. His Angel is the second book in the Trident Security series. The author did a great job with the background information so you can read this as a stand alone. This book is about a different member of the "sexy six pack" who are the men of Trident Security that are ex-Navy SEALs. Ian Sawyer, brother of Devon from book one, had his heart broken ten years ago by the woman he planned on marrying. Now he wants nothing to do with relationships nor does he believe in soul-mates. He is content living his life as a Dom and everything is spelled out with exactly what is to be involved in the deal. That is until he meets the neighbor when helping one of the team move into a new place. Angie Beckett has not been very successful in the relationship department either. She wonders if it is her or if it is her choice in boyfriends. They just don't keep her interest and always end up being Mr. Wrong. Then she gets a new neighbor and one of the guys helping him move in catches her attention. She finally has the chance to talk with him. But what will happen when she finds out that not everything is as she believes and her life is in danger? Will she trust Ian again or walk out of his life? You will go through a mix of emotions from wanting to yell as the characters for doing what they did and how stupid they are acting, to the tears when you can't believe that actually happened, to being on the edge of your seat biting your nails worried about what will happen next.
