For Love Alone (Secrets Of Savannah Book 4)

Synopsis

Secrets of Savannah: Six best friends who have known each other their entire lives. Once as thick as thieves, the friendships among the girls have been splintered by life events, secrets and deceptions. Now, brought together again by an inheritance of an historic Bed & Breakfast on Tybee Island, the women must set aside their differences in order to restore their beloved Savannah House. As each woman finds her special talent and develops it through the renovation of the inn, they also find romance—each of them with an unforgettable hero.

The Chef: Morgan Lucas grew up in Savannah, Georgia surrounded by the trappings of wealth and privilege. The product of an interracial marriage, Morgan was raised by her mother, Pearl Lucas, after the divorce of her parents. Morgan's upbringing was loving yet very modest—worlds apart from her best friends. Ever since she was a small child, Morgan has found discovery and self-assurance in the kitchen. For as long as she can remember, Morgan yearned to be a world famous chef and baker. When she begins a secret relationship with Luke Duvall, the brother of one of her best friends, she finds herself falling in love with the sweet-natured businessman. After a confused Morgan decides to end things with Luke, she runs away to Paris to work as a chef. Now back in Savannah and claiming partial ownership of Savannah House, Morgan is determined to make spectacular meals at the resort and make a name for herself in Savannah. And when a chance to reunite with Luke presents itself, Morgan has to face her fears in order to claim her future.

The Renaissance Man: Luke Duvall grew up in a lavish estate in Savannah with his adopted sister, Callie, as the son of wealthy aristocrats, Lionel and Davinia Duvall. Luke's life has been shaped by a tragic event—the drowning death of his younger sister Rachel while on vacation. A part of Luke has always blamed himself for her death. Now employed by the family business, Duvall Investments, Luke yearns to switch gears and pursue a singing career. But family obligations, and a desire to make his father proud, are standing in his way. Luke is at a crossroads. He's still head-over-heels in love with Morgan Lucas, but a chasm still separates them. Determined to win the woman of his dreams, Luke sets out to prove to Morgan that they were meant to be.

Customer Reviews

I love this series and have been checking often for this book. I loved learning about Morgan and Luke's story. Morgan had serious trust issues but Luke helped her through them. Ms. Calhoun is such a great storyteller. I can't wait for the next book.

I can hardly wait for each book that Belle Calhoun writes! This is a book of 2nd and even 3rd chances; of forgiving yourself; of forgiving your peers or gossips who hurt you with their ignorance & cruelty; of confronting your fears & following your heart; of stepping out in faith; of not letting the past shape your future; of living each day like it's your last; of balancing your life in a way that leads to contentment; of finding the genuine, faith-based life that's filled with love, passion for one's work, & joy; of not letting anger eat you up inside...These are just a few of Belle's quotes that I love. But my favorite is: "Where we come from is important. It lays the foundation. It shapes us. But we can't ever let it define us!" Now we have to wait until August to read Falling In Love! If only her books were also in print, and not just on kindle!!!

Finally, Morgan and Luke. Belle Calhoun always gives me a gentle romance that speaks to the heart and touches on issues that affect so many. With her gift for descriptive details, creating characters I care about and wonderful friendships, I trust her to deliver and she does. Morgan and Luke's romance is a bumpy yet heartfelt reunion. Yet Calhoun flips the reunion trope on its ear by resolving conflicts from the past early, making the reader turn pages as fast as possible to see what

happens next because we know something is going to happen....and it does. I was smiling at the end and very satisfied...until I remembered I had to wait until fall for the next installment!

Great book as are all of her novels but she got a little lost in character names here and there, writing Callie instead of Morgan and a few typos which none of the other books had. All in all good reading because she puts God in all her books leaving no doubt who she believes in.

The only thing I can say I am disappointed about is that I have to wait until August for the next installment of The Secrets of Savannah series! I have read every Belle Calhoun book I have been able to get my hands on and never been disappointed in one yet! Do yourself a favor and start at book one of Seven Brides for Seven Brothers and then The Secrets of Savannah series' as they are tied together! You will no regret it! Thank you Belle!

This is sweet story about fighting for love and hearts being healed from tragedy. I enjoyed this story (as I do all Belle Calhoun books) and it might be my favorite in the series so far. Looking forward to the next one.

I have been waiting for awhile to see what Morgan's story was, and her relationship with Callie's brother (as I have always thought of him). Loving this series! Can hardly wait for Charlotte's story!!! I recommend starting with the first in the series and if you really want to understand them, read the Seven Brides for Seven Brothers series as well. Superb!!!!!!

This series just keeps getting better. Morgan is such a strong, yet vulnerable character and watching her evolution in this story was just breathtaking! It was almost as good to watch Luke break out of his shell. These 2 characters are both struggling with past hurts and letting it impact their present and future. Seeing them come together and recognize the weaknesses and how to overcome them is an emotional journey. As always, well written, extremely developed characters and a story line that keeps you guessing just a little bit. There is an "Oh No" moment towards the end that will really get you! You will not want to miss this story! Side note : If this Inn is based on somewhere in Savannah, I really need to know where it is to go visit for some R & R.
