It says a lot about a book when it can transform a 33 year old heterosexual female who has been an avid reader of the M/F romance genre for 15 years into a M/M genre addict. On a chilly February night I was craving a historical M/F enemies to lovers romance novel to warm me up - I stumbled across S.U. Pacatâ's Captive Prince series instead. Probably one of the best stumbles I've ever made and I fell hard. The Story Set in a historical AU that bears likenesses particularly to the historical cultures of Greece and France, I expected to read a chintzy slavefic possibly analogous to the bodice rippers of which I was acquainted. What I found was a story that is not chintzy. Not a slavefic. Not anything that my presupposing mind would have expected from a free WIP posted by an amateur author. Prince Damianos of Akielos, aka Damen, stars as our narrative guide. Influenced by slavefics of Anne Rice, Pacat notes in a Livejournal interview, that Damen's origins lay in

• the alpha warrior-prince who keeps his attitude and sense of identity in all circumstances. •
Damen is all that and more. He is likeable, relatable, no genius, but no dummy, honest, confident, a fighter, but reasonable. The kind of hero who is just itching to gallop into a fray in shining armor on a white horse and kiss the pain away - and even cuddle afterwards. Alas his world is jarred when he is forcibly taken from a place where he is centered and complacent to a place where he is, well, not. Enter Laurent, Prince of Vere. Inspired by Dorothy Dunnett's Francis Crawford of the Lymond Chronicles, Laurent is ten steps ahead of everyone - possibly even Pacat herself.
