Customer Reviews

What a great bundle and a bargain, a total of ten books in all - 2 different series - Strange Billionaire and Inferno are each 5 book sets. . Strange Billionaire is the story of Lawrence and Selena. Power, domination, passion, twists and lots of surprises, this is a story that will draw you in and keep you enthralled until the end. Inferno is the story of Anthony and the tragic loss of Ginger, the love of his life. Catherine enters into his life and he is forever changed. Can he love again. Great stories that you will love.

Kinky Room is a combination of two complete series by Mary Jane. Inferno and The Strange Billionaire. Both series were well written, with interesting characters and a story line that will keep you reading till the very end. They had kidnapping, murder, bondage, lust, passion, love and also a few tears were shed. A great combo books to read and enjoy. I received a free copy of this book in exchange for an honest review.

As usual the author doesn't disappoint. I enjoyed both stories. I enjoy reading about alpha characters. The storylines can seem familiar at times. The author caught my interest and held onto it. Looking forward to the rest of her books. I received an ARC for an honest review.
