Synopsis

Number One Bestseller Travel, Number One Bestseller Europe Travel and Italy Travel, Number Two Bestseller International Crime & Mystery, Romance Novel Bestseller, What Happens in Venice: Love Spirits, was Book One of the serial novel. Now, sexy sleuth Louisa is back! She captivated romance novel readers and mystery lovers in Love Spirits, the first book of the intriguing international mystery and crime series. In What Happens in Venice. Book Two, Lagoon Lure, she continues this seductive ghost story and her journey through the carnal pleasures, conspiracy and corruption of Venice, Italy. American in Venice, Louisa resumes the Venetian exploits, steamy love affairs and paranormal assisted murder investigation she began in Love Spirits. More mystery and romance ensnare her in the second book of the What Happens in Venice travel, romance and mystery series. Still unnerved by the notion that Venice ghost stories are real, Louisa delves further into the mystery of the deaths of two glassmakers while juggling the lustful manipulations of her ex-lover, Matteo, whose role in the double murder grows murkier. Meanwhile Louisa's usually shy sister, Barbara, explores her new-found sexuality with Venice's willing men, sharing her adventures with her sister but keeping one particularly mysterious man a secret. Romance novel readers will love the changes in her and the tension created by the affairs of the heart that Venice leads her into before she realizes that she's fallen hard despite the haunted happenings around her. When Louisa's best friend, "Rouge," arrives for Carnival to sample its masked men and create her own romance novel subplots and complicates the situation further by encouraging the sisters to embrace the pleasures of secret Venice. Rouge not only steams up the landscape but she is lured into her own complicated romances and supernatural events, if not a reluctant ghost story or two. With Venice as the lush backdrop for double murder and a web of passionate intrigue, Louisa deciphers clues planted by ghosts and struggles to resist the wicked charms of the very tempter she suspected in the crimes. Her unfinished romance and ghost story compete against her love affair with Venice and its secrets. While she tries to enjoy her days of Venice travel, food and fashion, as well as her new admirer's own brand of magic, the mystery of the dead glass makers still looms in the lagoon. Lively supporting characters add sex, chuckles and suspense to the already twisted plots and turned phrases when they too must navigate Venice mystery, romantic liaisons and the ghost story encounters. The gothic setting, the romance laden environment, the mysterious corners and shadowy lagoon lead everyone astray. Haunted Venice gives everyone plenty to puzzle over right until the end. Venice cafés, restaurants, and other haunts play a prominent role in this sexy supernatural romance and international crime series about a beautiful American in Venice guided by ghosts to solve the mystery of a hushed-up crime. Paranormal clues and ghost apparitions lead

Louisa deeper into the lagoon, and she is forced to reluctantly enlist Matteo's support. Can she trust him, or will this ghostly lagoon lure prove deadly? What Happens In Venice: Book Two, Lagoon Lure -- Trinity Ghost Story, Romance Novel & International Crime Mystery. Dare to join the journey of beauty, seduction and death and travel the mysterious mazes, romantic canals and haunted haven of the beautiful and sensuous lagoon town.

Customer Reviews

Being a huge Venice lover, these books called out to me! Diana's stories are so enchanting-transporting the reader right to this sexy city for their own Venetian spying... Word of warning- do not start these books if you wake at 3 am and can't sleep- both this book and Love Spirits are difficult to put down I made the mistake this morning and couldn't stop before the end- so no sleep for this girl today but loads of Venetian dreams.... Thank you to the writer... More please

The adventure continues and I was glad to be on the ride. Louisa ventures out to other parts of the Lagoon, including Murano (the island of glass) and scuba diving for underwater clues. Her bumpy relationship with Matteo is maddening but I enjoyed meeting her friend Rogue who arrives to save the day. I've been to Carnevale, and the author's description is rich in detail and true to form - I felt

like I was transported back to San Marks Square! I can't wait for the final installment and Louisa's solving the crimes and maybe her man problems as well.

• Lagoon Lure • picks up where • Love Spirits • left off and does a great job of keeping up the fast-paced, exciting momentum that originally caused me to become hooked on the series. In fact, I'd say that book two is just as good as the first, if not better. I am also quite impressed with how strong the character development is in this installment; Louisa has so far proven to be a very interesting and • three-dimensional • character and I'd say that her relationships have plenty of depth in this book. Can't wait to for the next book.
