Pirates: True And Untold Stories That Will Shiver Your Timbers - 2nd Edition

Synopsis

Your Thrilling Guide to Legendary Pirate Stories! now in 2ND EDITION Free bonus inside! (Right after Conclusion) - Get limited time offer, Get your BONUS right NOW! Find out what it takes to Shiver your Timbers! In *Pirates: True and Untold Stories* that will Shiver your Timbers, you'll learn about six of the most famous pirates of all time. From dangerous and cruel men, to those who were only in it for the bounty, you will discover what motivated them, how they moved forward and why they chose to pirate in the first place. All of these pirates have stories, some which have been lost in time and untold until this very moment. In the chapters, you will also discover:

- How they used to capture other vessels
- The reasons they were given dangerous nicknames
- What plunder they managed to accumulate
- The heinous acts that are remembered to this day
- The mentors and their charges
- The secrets that they held on to

Pirates continue to be fascinating and shrouded in mystery. They ruled the seas for centuries, and did it in such a way that till today, they continue to be legendary. In this book, you will learn about what motivated them to carry out terrible acts, and how they put together large bounties. You will also learn why so many of the pirates met a tragic end. Read this book for FREE on Kindle Unlimited - Download NOW! By the time you complete the book, you will be able to say some common pirate phrases and talk like a pirate. This will put you in their mind frame, and make you feel as though you have been a part of their world. Enjoy your unique pirate experience! Customer Reviews

These are six astonishing pirates stories that you will learn about what caused them to carry out terrible acts, and how they plunder and accumulated wealth. And eventually, how most of the legendary pirates met their tragic end. Beware! You will think and talk like a pirate after reading this book.

If it's free and you have never read anything about pirates, I suppose this is ok. It's not like you will read this and say "that's 18 minutes of my life I will never get back." but that's about the best I can say about it. A very few very short anecdotes, reasonably well written. Seemed more of a teaser to draw you in to the accompanying material, which as I vaguely recall was about Vikings or Norway or something. Felt like a bait and switch.

Highly involving and, ultimately, a bit sad in that the reality of those days is far too rough to hold up to our romantic notions of the golden age of piracy. A very well researched, and presented, book. I can't imagine the hours the author spent in researching this but I am grateful. The narrative presentation reads less like fiction than true crime but is certainly more palatable than non-fiction which, for us ADHD types, is horrendously difficult to plow.
