## Customer Reviews

This text product (in e-format, but someone in the publishing industry just told me that recent paper printings are like this) was just whisperjettted to the e-device of the man who lives in the smaller dumpster behind the Zero Public Library, in Zero Mississippi. It was gratis, and the annunciating flag said:PAID FOR BY THE TRUMP-KIYOSAKI FOR PRESIDENT CAMPAIGN. THEY APPROVE OF THIS MESSAGE.This is an extraordinary product. It appears, to the un-Spanished beholder, to be a Spanish translation of an investment screed Kiyosaki and Trump published back in 2006.But it is far more.There is still a lot of stuff about investing, and the two say they will require all Americans to

become investors, or "go to h---" (my translation). But they say that, if this is done, and the non-investors are shoved over the border, or shot, then, per the title, everything in America will be turned to gold, literally. But they say more: these two boldly promise to turn the American Presidency into a Duumvirate. They do not say that they will request a Constitutional Amendment. Trump briefly points out that it has been proven (by him) that Presidents do not need to be American citizens, so, he reasons ("as if it mattered; I don't intend to waste time arguing with anybody" - my translation) that there is no enforceable legal requirement that the President exist only in the singular.
