Christmas In Vermont: A Very White Christmas

Synopsis

In the small town of Woodstock, Vermont, Christmas means white snow and warm traditions. For ex-Marine Jack Reynolds, it's a chance to visit home and sort out his life. He's engaged but unhappy, his brother is missing in action, and he often thinks about Hope, the beautiful teacher who helped him survive an attack in Iraq before disappearing. Unbeknownst to Jack, Hope is in Woodstock, having sworn to visit the hometown of the man who saved her life. A chance encounter brings Jack and Hope together once more, and they instantly feel the same deep connection that sustained them in Iraq. When a long-lost bag of Christmas cards is discovered at the local post office, the pair sets out to deliver them. As the letters bring joy around Woodstock, Jack and Hope grow closer—but misunderstandings and uncertainty come between them. Can the cozy town's Christmas spirit help them find the courage to follow their hearts? Revised edition: This edition of *Christmas in Vermont: A Very White Christmas* includes editorial revisions.

Customer Reviews

Although it is June I was intrigued to read Bryan Mooney's latest confection "Christmas in Vermont: A Very White Christmas". I am so glad I did. This is a terrific story about two people, Jack and Hope,

who meet in an ugly circumstance and unknowingly form a "soul mate" bond. Jack a Marine and Hope a teacher both working in the middle east comfort and give each other strength after they are attacked and badly injured at a school. They are both unconscious when they are rescued and sent to different locations to recover. Both wonder with longing about what happened to the other. When fate brings them back together years later in Vermont during the holidays, the magic of the season serves to ignite and invigorate their feelings for one another even though they are both involved with others. While hand delivering once lost Christmas cards and letters found from the previous year, as a favor to his uncle, the retiring postmaster, Jack discovers that there are many in his hometown that are in need and hurting during the holiday season. The cards serve to bring peace to some and motivation to others. Jack and Hope find that together they can make a difference as they rally the small town of Woodstock, to revive the Veterans Hall. The love of community that this village exhibits as they all step up to make it happen is endearing and charming to read. The way that Mr. Mooney weaves their love story through these events is very engaging and makes putting the book down next to impossible. I really enjoyed this book. I was fascinated by the vivid descriptions of the Wassail Festival and how lovely the portrait that the author painted of this quaint town seemed to draw the reader in so smoothly and completely.
