## Synopsis

Belleza, poder y violencia Javier Valdez ofrece un libro impactante que va del reportaje a la crónica para rescatar del silencio, de la nota roja y del olvido, a numerosas mujeres que viven entre las balas momentos cruciales de su vida. Amantes de capos, amigas de ellos o familiares, son mujeres con una verdad ardiente y dolorosa, que buscan el glamour y la hermosura, el poder económico y la huida de su realidad; mujeres que viven en el límite de la ley, la violencia y de la muerte.

## Customer Reviews

I bought and read this book in Mexico (the Spanish edition) and found it very interesting. It has less history and narco-details than other books that have been written, and is more the story of how several different women got involved in the narco-life. I really enjoyed reading the book...truth that reads like fiction. The writer did a good job of not presenting these women too sympathetically, effectively showing how greed and narcissism (and sometimes love) can lead girls into this kind of life.

No se si deberia de darle una reseña a este libro pues deje de leerlo en cuanto vi que estaba enfocado en describir el escote y las curvas de la protagonista (una de ellas) y poner a nuestra

miss narco en la posición de una lectura erótica y lamentablemente barata y no muy bien redactada, de MAL GUSTO, y no me subestimen, me gusta la erótica, pero al comprar este libro pense que trataría sobre mujeres con una historia fuerte e interesante, no otro par de tetas.

Miss Narco es el libro de crónicas más vivo y bien escrito que he leído. Cada historia es una alma en pena. Historias desgarradoras que hablan acerca del narco con todo y lo horrendo que es. Javier Valdez Cárdenas no tiene miedo. Lo admiro y aplaudo su gran labor investigativa y la agilidad de su pluma.

"Mexican journalist Javier Valdéz Cárdenas offers women's perspectives on the dark and consuming world of narcotics trafficking. Based on a series of interviews, Valdez's vignettes are all at once engrossing, poignant and frightening." This is as reviewed in "The New Essential Guide to Spanish Reading" which is published by America Reads Spanish: a campaign aimed to increase the use and reading of the Spanish language through the thousands of libraries, schools and book stores in the US.
