Colorado author Ashley Hunt earned her degree in Philosophy at The University of Colorado. She lives in Denver where she creates stories with heroes with great strengths, physical and mental, and pairs them with strong heroines who test their limits, in the end finding deep, passionate love. Science fiction is an acquired taste and that taste seems to have infused the entire globe as books and television shows and games and movies all fight for top place in this genre. Ashley has her hand solidly in this realm, having published two series of books that deal with aliens peppered with erotica. This series of four books THE EUTHEREAN BATTLE SERIES includes Awarded To The Alien - Book 1, Addicted To The Alien - Book 2, Given To The Alien - Book 3, and Allied With The Alien - Book 4. Attempting to condense the four novels is challenging but the synopsis here give the idea: Kerr, the Alpha male, the Prince of The Euthenian Nebula, is a man with a mission to unite Earth and his planet. Kataline, a strong and well-educated young woman and the first of the genetically modified females to be awarded to an alien. She's not happy with her predetermined fate. He thinks it will be easy to handle her. Something changes when they see each other. But some promises are meant to be broken. Some others have different plans for the young couple, other than mating. An uprising stage at The Euthenian Nebula, while the Royal family and their guards are away on Earth! - Take her to the holding chamber. - No! • Is it really Kataline's fault? Is she just a pawn in all this? What will happen between the Prince and his new Princess?

Title: Awarded to the Alien. Book 1 Series: The Euthenian Battle Author: Ashley L. Hunt Reviewer: Ingrid Stephanie Jordan Can you imagine your whole life on the planet Earth and your power hungry father who basically genetically engineered her to be the smartest, most perfect woman has anyone women perfect because Kataline knew she wasn't. Learning about the planet Euthenia Nebula that it has two Suns one is bigger than the other and three moons which are always visible. Kataline was scared of this outcome marrying a man she didn't know never ever met didn't even know what he looked like. There was no expense spared for this wedding, hundreds of people

came people she didn't even know she was so scared, as she walked down the aisle barely seeing through her veil, she saw her soon to be husband. Kataline couldn't believe her eyes he was the handsomeness man/alien she ever saw oh my she might pass out. Prince of Euthenia, Kerr loves his planet his people that is why he decided to take the reward offered. He wanted a change for his people, than when he became King he could implement his changes he wanted. When he saw his reward he knew he made the right decision. Title: Addicted To The Alien. Book 2 If you remember the first book, she was made especially to be a princess for another planet. Of course she knew this was her duty, never expecting to fall in love with the Prince Kerr the only problem she had with the King, he did not like her at all in fact he thought women were beneath them they should walk behind the man if they did something wrong they were beat and whipped, if they did treason or said anything against the king it would be Off With Their Heads.
