Dublineses: La Pensión [Dubliners: The Boarding House]

Synopsis

James Joyce (1882 - 1941) - Novelista y poeta irlandés cuya agudeza psicológica e innovadoras técnicas literarias expresadas en su novela épica *Ulises* le convierten en uno de los escritores más importantes del siglo XX. *Dublineses* (en inglés, "Dubliners") el primer libro de Joyce, es una colección de relatos cortos escrita por el escritor irlandés. "La Pensiñ": Estilo claro, de lenguaje sencillo y con gran precisión Joyce va hilando el relato como si se tratara de un hermoso manto tejido a mano. La pensión es un cuento acogedor que encierra la problemática a la que se enfrenta una familia de Dublin. La señora Mooney, es una dama muy decidida y autosuficiente, propietaria de una carnicería. Cuando muere el suegro, su marido comienza a gastar el dinero de la herencia en las tabernas. Tras una discusión, el marido casi la mata a cuchilladas. Entonces la señora Mooney consigue que su esposo se vaya de casa; vende la carnicería y funda una pensión donde se hospedan trabajadores y a veces estudiantes. La acción del cuento transcurre en esta casa de inquilinos.

ASIN: B004GK5C3A

Best Sellers Rank: #879 in Books > Libros en español > Literatura y ficción > Cuentos

Cortos #2111 in Books > Libros en español > Referencia #8982 in Books > Literature & Fiction > Foreign Language Fiction

Customer Reviews

Browsing hidden book shops here in Ciudad Juarez is always this great city's guiltiest pleasure. Any corner may still contain one, with great jewels of literature hanging precariously upon the vines of bookshelf. Here is one. *Dubliners*, in Spanish. Certainly, since ancient times, we have recognized that all translation is betrayal, including the translation into crude English of this brief early Latin dictum, and this translation none the less so. The translators went with straight translation and have done

an admirable job, even while losing much of the subtlety which Mr. Joyce brings to this unforgetting and stoney tongue of the anglo. For instance, the opening line here of Los Muertos (the translator choosing to put The Dead into the plural restrained by Spanish from the ambiguous) no longer speaks of the caretakers daughter being "literally" run off her feet, an expression so often and so well explored in the commentaries, as being an interjection of subjective voice and all that this implies. Here rather we read that Lily "ya no podia aguantar de pie." Nevertheless, as one familiar, perhaps now over familiar, with these great tales, I always find it revelatory to approach them from perspectives new to me, revealing in this way truths previously unconsidered. Gratefully and with great love therefore I now relish reading them in the Spanish, and recommend this approach to everyone knowing and loveing these tales as I do, or new to these tales as well. The sole translation note reveals it the work of one Joseph Club. Other tiny betrayals include a few the titles of the tales.
