Novelas Ejemplares II (Spanish Edition)

Synopsis

Entre las doce novelas que componen la colección se encuentran señaladas diferencias; algunas están próximas a modelos italianos, otras suponen una notable profundización tanto psicológica y social como estilística; todas son pequeñas obras maestras concebidas por el ingenio de Cervantes. Esta edición sigue la edición príncipe de Juan de la Cuesta y corrige las posibles erratas.

Customer Reviews

Gracias por la pronta entrega de este libro. Llegó en magníficas condiciones y sumamente rápido. Lo único que no me gusta y ustedes no tienen control de eso es que las letras son demasiado pequeñas, lo que dificulta la lectura.

Novella or short novelâ | Great way to start reading Cervantes in Spanish. They all have an implicit example or morality about the society of that time , XVII.

Super fast shipping. Great read. Love Cervantes

The used edition was criminal. Highlighted and the description said it was Good. It's unacceptable. Poor book, it didn't deserve this (it's a great book).
