Customer Reviews

I received an ARC in return for a fair review. I was attracted to this title, as I had read Volume 1, and it had some good content. I believe that the content in Volume 2 is even better. None of the content is stuff that I have seen before (unlike Volume 1). One of my favorites was "My Sister's Diary". It tells the story of a girl who grows up spying on her brother when he is in the bathroom. The ending of the book is a huge surprise.

A great bundle of 16 'forbidden love' romance stories from some of the best authors in this genre. A great variety of stories featuring temptation and forbidden lust. Many are stand a longs but several are cliffhangers. Well worth the money for this collection that is over 400 pages long. I received an arc copy in return for an honest review

This was another great set of quick reads from multiple authors. There really is something for every fan of the genre here. While all the stories are good and engaging, my favorite was Ms. Kitt's story. She really knows how to make the reader all hot and bothered! I received an ARC of this bundle in exchange for an honest review.

This is a fantastic, interesting and hot steamy book to read and is compiled of short stories. This collection is by far much better than Volume 1 and I thoroughly enjoyed reading each and everyone of them. These stories are written by various talented authors and cover BBW, step-siblings, forced marriage, divorce, a strange will, bikers, fighting, first times, marines, menage and much more. I would recommend this book to people that are open minded and like to read short hot steamy stories. You will not be disappointed in this book. "I was provided with a complimentary copy of this book so I could give an honest review."

In Step by Step Volume 2 from Excite Spice, Selena Kitt provides us with sixteen more lusty stories of intimate family relations. This collection is weighted more towards step-daddy/daughter coupling with a healthy(?) dose of step-brother/sister action as well. I was pleased to see that in this collection stepmoms weren't left out in the cold. I have not yet finished the book, but my favorite so far is "Stepbrother First Times: Beautiful Baby" by Selena Kitt. No surprise to me as I'm a big fan of

Ms. Kitt's stories. Sondra Wilde's "It's Too Big" by was also a fun stepmom read. The stories are hot, the writing is solid, and this collection did not disappoint. Buy the book, you'll be glad you did. Full disclosure, I received an advanced review copy in exchange for an honest review.

Has always these books did not disappoint me I love Selena Kits books and to have other authors to read hot and sexy reads is just a bonus let me tell you they are so hot and steamy reads they are well worth the price of the books I got all hot and bothers with just he first read and the next I had to put them down to go for the sex toys to finish it before I could go to the next book that is how hot and spicy they are oh boy what a ride I got them free for an honest review and I loved them very much. Michelle Step by Step (Volume 2): 16 Book Forbidden Romance MEGA Bundle (Excite Spice Boxed Sets)

I finished this set of books a week ago. Thought I had written my few words of praise then. My mistake. Sorry Selena. As you can see I had to give the set a five star rating. When I started this set I thought it would be difficult to beat volume 1. Wrong assumption. All sixteen stories were worth the time and effort to read. Do yourself a favor. Buy a set today. Well underpriced in my estimation. Thank you for the opportunity to review these stories. Hopefully you will keep producing the great work and I might have another chance to write another review.

This collection of books was better than Volume 1 and I really enjoyed that one. This is a great deal for a great group of stories. I would rate almost all the stories as 5 star stories. These stories are great reads, totally hot and really enjoyable. Again I am introduced to new authors that have opened a whole collection of books to me. I highly recommend this collection. I was given this book in exchange for an honest review.
