Lassoing The Virgin Mail-Order Bride

Synopsis

When Clare Stevens walked onto the McCallister ranch, she expected her life to be a certain way. She was the mail-order bride of the owner, and she was to fulfill her duties. Clean the house, cook for his men, and warm his bed at night. What she didn't expect was the beefy cowboy who walked in and literally swept her off her feet. Cash McCallister didn't have time to date and find a wife. So a mail-order bride seemed the easiest way to find a partner. He thought he'd made a mistake until he laid eyes on the little piece of sunshine that lit up his life. He never imagined a true love like this. He never knew an obsession could take hold so tightly. When drama hits the farm and their fast love is threatened, can Clare and Cash hold it together? Warning: This is literally as cliché as it sounds...and just as awesome. It's country living with high-calorie foods and easy sunsets. Come sit on the porch and stay a while. You'll like what you see.

Customer Reviews

I'm a little confused on on the great reviews. I love nothing better than a cocky take charge guy and lots of sex in my books but this book was so unrealistic. He gets a mail order bride so I was thinking this is going to be a historical read..then she gets picked up at the train station, (again historical) by the Forman. she was brought up on a ranch that her mamma worked and she helped work but the

owner sold the ranch. Then her mamma gets sick and dies so she has no family and decided to become a mail bride because she can't afford food.. (We do have shelters, food shelves and she could have got a job).. she lost weight and her clothes are baggy.. She is so worried her soon to be new husband won't like her because he had never seen her and she has no money to return back on the train or eat.. (AGAIN HISTORICAL) so when the forman picks her up she has one bag with her, 3 outfits... The formans like that's all you have... once again thinking this is historical.... until they jump in the truck.. i was like what??? So why didn't he just fly her out??? And what's up with the no picture?? Once again this is 2016 and she could have sent him one... He changes his mind and doesn't want a bride and told his Forman to send her back but the forman doesn't listen and brings her to the ranch... so when he comes inside to eat and finds her cooking and he goes instant caveman.. because she is hot and doesn't want any man looking at her... she is HIS WIFE, Mine!!!! Starts calling her Mrs... That was a little over the top. Now he wants to keep her and they get married and they fall in love in 4 days??? He is this hot rich cowboy who turns out to be a virgin along with his new bride... This book was lacking... well pretty much everything. This book would have been more believable if it was a historical romance.
