Honeymoon For One

Synopsis

Being ditched at the altar is the least of Lizzie Mancini's problems. Sitting in a Caribbean jail cell accused of murdering her "pretend" husband, however, is at the top of the list. After her real groom jilts her, Lizzie decides to go solo on their Belize honeymoon and meets handsome Michael Garcia, who is nursing his own heartache. To avoid the bleakness of dining and sightseeing alone, as well as questions from nosy, if well-meaning, fellow guests at the couples-only resort, the two agree to pose as newlyweds for the week--no strings (or sex) attached. The plan runs smoothly until Lizzie enjoys the attentions of the local scuba instructor and Michael's body washes ashore. Suddenly the "Mrs." is mistakenly identified as suspect numero uno. With the Polizia Nazionale ready to close the case and cook her goose, Lizzie will have to solve the crime herself. Unexpected romance and international intrigue are center stage in Beth Orsoff's mystery caper that takes "til death do us part" to a whole new level. Discover Beth Orsoff's latest international caper, *THE BILLIONAIRE WHO WASN'T* . . . An ethically-challenged sister . . . A father who's on the lam . . . A mother who's barely speaking to her . . . And a federal agent who wants to bed her . . . What's a former billionaire's daughter to do? Nina Roth is having a horrible day. Actually, make that a horrible week. In fact, make it a horrible year. Unemployed? Check. About to be homeless? Check. Father's an international pariah and Nina's guilty by association? Check. What's a former billionaire's daughter to do? The only thing she can--swallow her fear, ignore that little voice inside her head telling her all is not as it seems, and embark on an international manhunt that will either save her life or destroy it, once and for all. Beth Orsoff deftly combines humor and suspense in this captivating escapade filled with fine wine, dysfunctional family, and an ending you'll never see coming.

Customer Reviews

Every Woman's Nightmare What do you get when you combine a dumped-at-the-altar bride-to-be, determined to take her dream honeymoon, an airplane seat mate eager to pose as her husband at the couples resort, a hunky Brad Pitt lookalike who inspires instant lust, and a foreign country where said bride can't speak the language? You get *Honeymoon for One*, a delightful blend of mystery, humor, and BFF relationships with a dash of romance tossed in for good measure. This droll mystery, highlighted by a series of unexpected events that complicate an already complicated situation, will keep you turning the pages and smiling. Maybe it was the tropical setting or the wacky characters. but the book was reminiscent of a Carl Hiassen novel, albeit a kinder, gentler Hiassen book. No Spoiler When reviewing a book, one treads a fine line of revealing enough to convince you the book is worth buying but holding back on those little surprises that make a book truly entertaining. So I'm just going to leave you with the brief description I wrote above, and a little about the wonderful characters you'll meet in Ms. Orsoff's novel. The protagonist Lizzie Mancini, the hapless bride-to-be who finds herself un-engaged the night before the wedding, and her best friend Jane Chandler will delight you. I suspect that there's a little Lizzie in all of us. As for BFF Jane, with her hilarious phobias and a trust fund that enables her to outfit both of them like a covert ops team, well, Jane is an original, and she's laugh out loud funny. We all need a BFF like Jane in our lives. A Word About Kindle Books *Honeymoon for One* is a Kindle book which means it's priced very inexpensively.
