All characters over 18 and not related by blood. Included stories: PUNISHING LITTLE RED RIDING HOOD In her haste to reach her grandmother's house, innocent Little Red has taken the path less traveled, that which runs into very deepest and darkest recesses of the woods. She has heard the tales of wolves wearing the skin of men, but does not believe it until one emerges right before her eyes. But there is more to the Wolf than Little Red realizes. He only wishes to mate with her, to drive her into submission. The house of the woodsmen she is to encounter later will bring far more sinister consequences! PUNISHING BELLE (BEAUTY AND THE BEAST) All innocent Belle ever wanted was a rose. Instead, her father returns from his journey with grave news. She is to accompany him to a castle owned by a strange and malevolent creature, a beast. What the beast intends to do with her, Belle does not know, only that she is to submit completely to his wishes if her father is to live. But the beast's desires run much darker than poor Belle could ever imagine. Locked in his dungeon, surrounded by implements of pain and torture, will Belle fall to the monster, or will she find true pleasure within the agony to come? PUNISHING GOLDILOCKS Goldilocks has ventured deep into the woods. She knows the rumours, the stories of those more beast than man, shape shifters and cannibals alike, but still her curiosity presses her on. She soon comes across a small cottage where everything is mismatched, but there is food on the table to satisfy her belly and a bed to rest her weary head. When she wakes, Goldilocks comes face to face with the mysterious inhabitants of the house. They do not take kindly to a thief, even one as pretty as the innocent girl before them. It is agreed. She must be punished, taken until she is begging for more, bound, gagged and dripping wet. Will she survive their dark desires, or will she find herself at the mercy of their more primal intent? PUNISHING RAPUNZEL When Prince Sabastian comes through Rapunzel's window, she believes she is to be free of her imprisonment and the enchantress who has held her prisoner for so long. But the Prince requires payment first, payment of a very specific, sexual nature. Rapunzel is naïve to the ways of men and the world. She's never even laid eyes on a male organ. Bound to

her bed by her own hair, by sunrise she will learn not only of the Prince's dark desires, but his quest to both humiliate and dominate her completely. Will she finally find freedom, or be cast once more into a life of cruel captivity? PUNISHING CINDERELLA Innocent Cinderella is having trouble adjusting to her new life as a sex slave. Constantly tortured by her cruel stepmother and stepsisters in their specially constructed playroom, there seems little hope she will ever find a better life. When word reaches the castle of a bridal ball held by the Prince himself, Cinderella's spirits saw. But she is duped by her stepmother yet aga
